

SPRINGS DANCE COMPANY

# Easter Project

Springs Dance Company specialises in RE through dance and helps young people learn about and learn from the Christian faith.

**The Springs Easter Project leads pupils through a series of dance workshops that help them engage with the Easter story.**

Children will learn and create movement in response to the story. They can explore their own spirituality as the workshops link Jesus' relationship with his disciples to Jesus' presence today. The workshops can culminate in an informal sharing or performance of the Easter story by the pupils, which can be shown to the school and parents.

*“They were incredibly professional, organised, thorough and patient. They brought the best out in our children... I look forward to working together again next year! Although, I don't know how you can improve.”*

Streatham. The Easter Project 2017

The project can be anything from one to six days, and can be split into workshops looking at the following sections of the Easter story:

- Washing of the feet
- Last supper
- Garden of Gethsemane
- Trial
- Crucifixion
- Rolling away of the stone
- Mary weeping
- Resurrection

The project can be adapted to suit the school.

Springs is flexible as to how its work can fit into the school timetable.

Many schools choose to use the company one day a week leading up to Easter. Some schools prefer to fit the workshops into an intensive week or another format.
