

EASTER PROJECT

SPRINGS
DANCE COMPANY

**A creative R.E. experience for your school.
Bring the Easter story to life.**

Our Easter Project immerses children in the story through movement, theatre and creative exploration. Children are encouraged to interpret, reflect, consider different perspectives and develop their own responses.

Through the project, pupils will:

- ✓ Explore key events and characters within the Easter story
- ✓ Question and interpret what they see, hear and experience
- ✓ Reflect on the story's themes and meaning
- ✓ Consider different perspectives and responses
- ✓ Express their own ideas through discussion, movement and performance
- ✓ Develop confidence, empathy and self-awareness

Curriculum aligned

Our dance workshops are developed to support the R.E. syllabus and the National Curriculum for PE.
